

# Bigger Better Brains Facilitator Course

**Become a leader in changing the narrative around music education.**

The BBB Facilitator Course builds on learnings from the Level 1, BBB Educator course and helps you hone your presentation and advocacy skills using neuromusical research. The BBB Facilitator Course will now be conducted as a 4-part comprehensive online program, conveniently accessible from the comfort of your own home or office.

## Part 1

### Offline Pre-course Preparation

This includes two short presentations and one written submission. During the course, you'll share these with fellow BBB Facilitators for feedback, enhancing your neuromusical presentation skills.

**Approximate time: 2 hours**

## Part 2

### Online Real-time Online Learning

Live online course by Anita Collins (Virtual Classroom) using a user-friendly virtual classroom platform that allows for real-time interactions, group discussions, and multimedia presentations.

**Approximate time: 8:30am - 2:30pm**

## Part 3

### Offline Self-paced Personal learning

Self-paced online work to be completed and submitted via online portal. The self-paced work will include a mix of short-form videos and written work.

**Approximate time: 2 - 4 hours**

## Part 4

### Online Real-time Reflection

Live online presentation by Anita (Virtual Classroom). This is the final workshop of the course. This time will be used to answer questions and go over the main points from your submitted work.

**Approximate time: 1 hour**
